DECLARES

- To provide daily to measure the body temperature, finding that this is lower than 37,5° C;
- To be aware of the obligation to remain in your home in the presence of fever over 37,5° C or other flu symptoms;
- To be aware of the fact that if flu or fever symptoms arise, it is necessary to return immediately to your home, and not to remain inside the sports site;
- Not to be aware of having had direct contact with subjects who tested positive for Covid-19;
- Not to have made trips to and from places that led to a period of quarantine;

- To undertake to comply with all provisions, primarily interpersonal distancing, and to observe the rules of hygiene through frequent hand washing and the adoption of all those correct behaviors from the point of view of hygiene.
